

P-9935 RS232 Communication Card

Description

Communication card provide interface between panel and pc. Either RS232 or USB port can be applied.

Technical Specification

- Compatible Panel: GST-IFP8 panel
- Communication Protocol: RS232/USB
- Baud Rate: 2400
- Parity Check: None
- Stop Bit: 1 bit
- Communication Distance
 - RS232: 15 meters
 - USB: 5 meters

Order Information

Part No.	P-9935
Device Name	RS232 Communication Card
Order Code	3671320
